Program Descriptions

Private Lessons and PLEC: At RSM, our music program goes beyond private lessons to develop a well-rounded musician. Students taking private lessons at RSM have an option to participate in Private Lesson Enhancement Classes. These classes include musicianship class, master classes, recitals and community performances. Private teachers must approve of student's involvement in recitals and performances.

Academic Year: RSM's Academic Year 2023-2024 consists of 36 lesson weeks. Students may begin the private lesson program at any time. Those who begin the program September 5, 2023 will receive a total of 36 lessons. Those beginning during the academic year will receive as many lessons that are remaining from the time they sign up through the week ending June 8, 2024.

Optional Summer Session: Summer session consists of 9 lesson weeks. Students may select the weeks they plan to have lessons. Students may enter this program at any time. Summer session begins June 17, 2024 and ends August 17, 2024. No makeup lessons will be permitted for the summer session. Students must register for a minimum of 6 weeks.

Lesson Lengths: Lesson lengths at RSM are 30, 45 or 60 minutes. Most lesson lengths are 45 to 60 minutes. Student ages 4-8 year, including those who may have a shorter attention span, may opt for a 30-minute lesson. The teacher and student/parent should discuss the appropriate lesson length that will meet the student's needs and abilities. Each student is required to study a minimum of 30 minutes for each discipline. Teachers may stop lessons with students 2-3 minutes early in order to discuss student's progress with parents.

Group Classes: RSM offers several group classes for beginners that are new to music. Each class meets for 45 minutes once a week for 14 weeks during the fall session and 20 weeks during the spring sessions. RSM's group classes include:

- Adult Piano (17 and older)
- Suzuki Violin (5-8 yrs.)

Summer Music Camp: All summer music camp classes are offered for 1-2 weeks during the summer session and meet five days a week from 9:00 am – 12:00 pm. RSM's summer camp classes include:

Student Performance Opportunities

1.) Student Recitals:

Recital Schedule: Student recitals take place every three months. These dates are listed on the Academic Calendar (page 4).

Recital Fee: Students participating in recitals must pay a \$25 Recital Fee for each recital to be billed the month before each recital (i.e. Dec 16th recital fee will be due Nov 1st). No late recital fees will be accepted. Fees are non-refundable or non-transferable. Students will select the recital(s) in which they want to perform. All recitals are held between the hours of 12:00 - 3:30 pm. The RSM office will notify the student and/or parent of which hour their recital will take place. Attendance is free for parents and guests. If student is unable to participate in a recital during certain hours, RSM must be notified at least 4 weeks before each scheduled recital. Requests given less than 4 weeks before recitals will not be honored.

Recital Participants: To participate in any RSM recital, each student must get approval from their private instructor.

Festivals and Competitions: RSM is a member of several organizations that allow students to participate in various music festivals and competitions. In order for students to participate in these events, they must get approval from their private instructor. A small fee may be required and is non-refundable once paid.

Accompanying

RSM provides accompanists for quarterly student recitals. Students needing an accompanist will be assigned a rehearsal time. Rehearsal times will not be rescheduled. If students miss their rehearsal time, they will not be able to perform on the recital. Students are welcomed to use a friend or family member to accompany them for recitals at their own expense.

Absence Policy

Each instructor reserves a weekly lesson time exclusively for their students. There are no refunds for lessons missed due to student absences, and makeup lessons are not guaranteed. This includes scheduled absences and last-minute cancellations. We ask that you contact the office if you plan to miss your lesson. If a 24-hour notice is given, a teacher may make up a lesson in person or via Zoom if there is a cancellation in their schedule. No more than two makeup lessons will be offered for the academic year. No makeup lessons will be offered after the end of the session, June 8th. Please note, makeup lessons may be shorter than the student's regular scheduled lesson. In the case of teacher's absence, the teacher will arrange a makeup lesson, or a substitute may be provided. Students are not permitted to transfer minutes from their lesson to a sibling or friend. For inclement weather, see our website for cancellations. If students are experiencing sickness, they should not attend class in-person and should contact the RSM office as soon as possible. An online session may be offered instead. If students are experiencing sickness to the point, they release bodily emissions to include but not limited to blood, vomit, feces, etc. in a manner that potentially compromises the health of RSM staff and students, they will be sent home and allowed to return to lessons only when they have recovered.

Missed Session for Group Classes

Students should attend all group classes. Makeup lessons will not be given for missed group classes. Students are not permitted to transfer minutes from their lesson or class to a sibling or friend. If inclement weather occurs, RSM will schedule a makeup class during our school breaks.

Frequent Absence Policy

If a student has frequent absences, a meeting with the Director may be requested.

Tardiness Policy

Students should arrive five minutes before their lesson begins. Students who are tardy will only receive instruction for the remainder of their scheduled lesson time.

Late Fee Policy

Tuition is due the first of the month. If tuition is late, student will not be permitted to receive lessons unless tuition is received 24 hours before lessons begin. If tuition is not received by the third of the month, a \$25 late fee will be applied to student's tuition. No make-up will be given for this missed lesson. If tuition is not received by the 14th day of the month, student will be withdrawn from RSM. Note: A \$10 fee will be charged for checks or credit cards that are unable to be processed.

Termination Policy

Two-week written notice must be given to the RSM Office for lesson termination in order to receive a prorated refund of prepaid lessons minus any applied pre-payment discounts or fees. Upon withdrawal a detail of student's account balance and any refunds will be issued within 4-6 weeks. RSM reserves the right to terminate lessons for non-payment. If an account balance falls behind, students may not receive further instruction and may lose their lesson slot with the teacher until the balance due is resolved. If student withdraws before the academic year ends, all makeup lessons will be forfeited.

Behavior Policy

At RSM, we strive to provide a safe and professional environment. For this reason, rude, threatening, aggressive, hostile, and disruptive behavior from parents or students will not be tolerated and will result in termination from RSM. Parents/Guests are asked to wait in the waiting area during student's lesson unless the teacher has agreed to allow parents/guests to quietly observe student's lesson. Parents/Guests must not interfere or disrupt a student's lesson during instruction. If disruptions occur, the teacher may ask parents/guests to wait in the waiting area until the lesson is complete.

Snow Days and Other Emergency Closings

RSM does not necessarily follow other school closings due to many reasons such as the hours of the day that RSM is in session compared to the hours that other schools are in session. If the school is closed, an announcement will be placed on RSM's website (www.robersonmusic.com). In the event of an emergency closing (other than due to weather), students/parents will be contacted immediately. If students are experiencing difficulty attending their lesson due to inclement weather, students/parents should contact the RSM office before the lesson begins in order to inform our office so that a makeup lesson can be arranged. If students/parents do not contact our office before the lesson begins concerning inclement weather, they will forfeit their makeup lesson.

Student Recognition

If students have made a musical achievement, please inform the RSM office so they can be recognized. We would like to include student's achievements in our monthly newsletter.

Instrumental/Vocal Award Programs**100 Day Club**

Students who practice 100 days continuously will be able to join this club and receive a special **trophy** as recognition of their hard work. The director will present the trophy to them at one of the quarterly recitals so that they can be recognized for their achievement.

Students: To fulfill this practicing commitment, you must spend time at your instrument at least 5 days each week practicing at least 1 Assignment item. If it is impossible to get to your instrument, you may substitute studying your printed music for at least one Assignment item.

Student Practice Charts: If you would like to participate in the 100 Day Club challenge, tell your music teacher at your next lesson to receive a special chart to record your practice days. Each day that you practice, you will mark off a day on the log. Parents or students must confirm practice days with teacher each week in order for the log to be valid. This program is not for the faint of heart! Anyone who misses practicing/studying more than one day a week will have to begin again at day one.

250 Day Club

Students who have completed the 100 Day Club challenge get to move on to this club and receive **Trophy No. 2** upon completion of an additional 150 days!

365 Day Club

Students who have successfully completed the 100 and 250 Day Club challenges can move on to the 365 Day Club and receive **Trophy No. 3** upon completion of an additional 115 days!
